OPTICAL DISTRIBUTION BOX

Optical Distribution Box

EM-IZU2901-01

lightweight and exquisite box
Customizable LOGO
Supports splicing, wiring, and fiber storage

EM-IZU2902-02

lightweight and exquisite box
Customizable LOGO
Supports splicing, wiring, and fiber storage

EM-IZU2903-02

lightweight and exquisite box
Customizable LOGO
Supports splicing, wiring, and fiber storage

EM-IZU2904-04

lightweight and exquisite box
Customizable LOGO
Supports splicing, wiring, and fiber storage

EM-FZU2905-02

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU2906-02

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU2907-04

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU2908-08

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU2909-08

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

Optical Distribution Box

EM-FZU3001-12

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU3002-12

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU3003-24

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU3004-16

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

EM-FZU3005-16

Fully enclosed structure
Waterproof, dustproof, and anti-aging design
IP65
Supports fiber cable/drop cable's fixing,
distribution and storage
Supports splicing, wiring, and fiber storage

SOCKET PANEL

EM-SZU3107-01

Standard 86 type panel size
Indoor termination application
Customized LOGO
Suitable for SC or DLC adapters
